Please call Sloan AV Help: (617) 324-2000

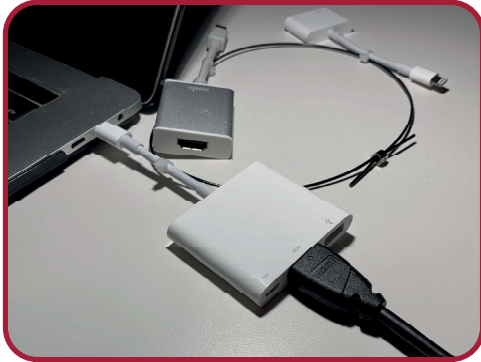

---

**Important :** If you need to rearrange this room's furniture, please email [AVFix@mit.edu](mailto:AVFix@mit.edu) or call (617) 324-2000

1

## CONNECT VIA HDMI

Plug the HDMI cable into your computer.\*  
The display should turn on automatically.

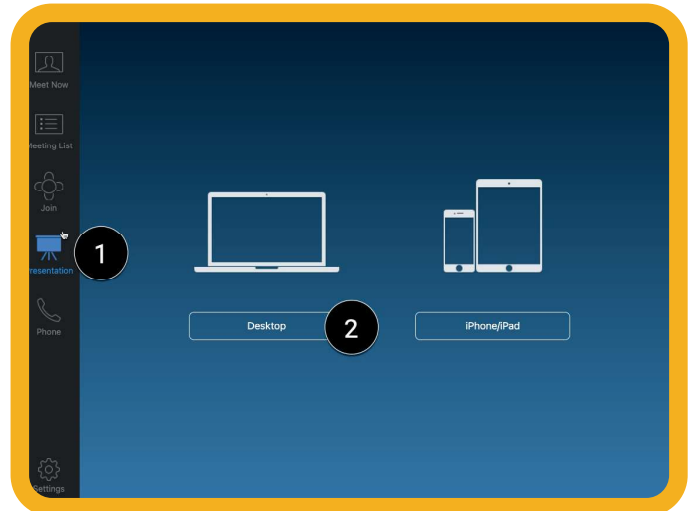

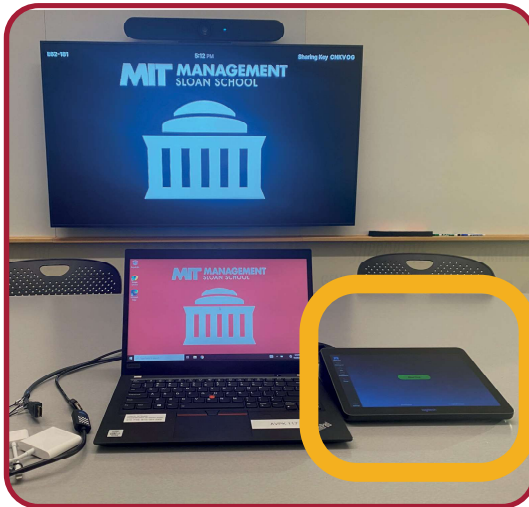

*\*If your computer does not have a direct HDMI connection, use the adapter provided.*

2

## CONNECT VIA WIRELESS

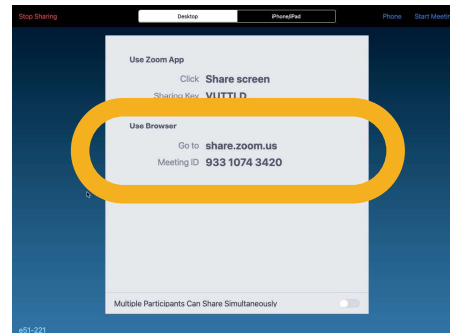

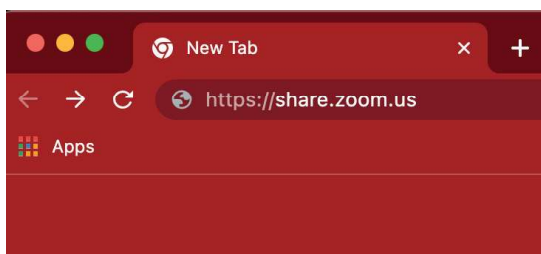

Navigate to the Zoom touchpanel on the table or the wall. Tap on Presentation, then Desktop (regardless of device type).

3

## JOIN THE WIRELESS SHARE

On your laptop, visit [share.zoom.us](https://share.zoom.us). Enter the meeting ID shown on the touchpanel
